

Alba & Estmere

CHS Chart No: 4279 – Bras d'Or Lake

Amenities: none

Description:

Navigation: The approach off the main channel is straightforward. Although bars may extend from Kennedys Point and the small islet at the entrance to Cassells Cove, the 10-foot bar shown in earlier issues of this chart does not exist. Thirty or more feet exists as shown on the CHS chart.

Protected anchorage can be found in Pipers Cove either inside the small islet or just outside for deeper draught vessels.
