Amenities:

Lennox Passage Yacht Club, with dockage, showers, washrooms, Internet, ice, Coffee Shop and Take-Out on site.

The Groundswell Pub and B&B (902-594-2010)

Shamrock Store (902-226-2954) – convenience store with food and gasoline (½ mile).
Post Office.

Description:

Navigation:

The tidal range on a spring tide is about 6 feet. Use tidal prediction for Cannes. The time of the tides is about 20 minutes after Point Tupper.

The entrance to the harbour is a sharp dog-leg, and is well buoyed. From the approach waypoint indicated head for the conspicuous silver-roofed barn until close to the sand spit. Buoy *NV4* is close to the spit (2012) and deep water exists between it and the spit.

CHS charts show minimal water at the wharf, but there is sufficient for small craft as shown on the chart below. The yacht club has recently installed floating docks with finger-piers. The bottom in the harbour is mud with good holding.
