

Georges River

CHS Chart No: 4277 – Great Bras d'Or, St Andrews Channel & St Anns Bay

Amenities:

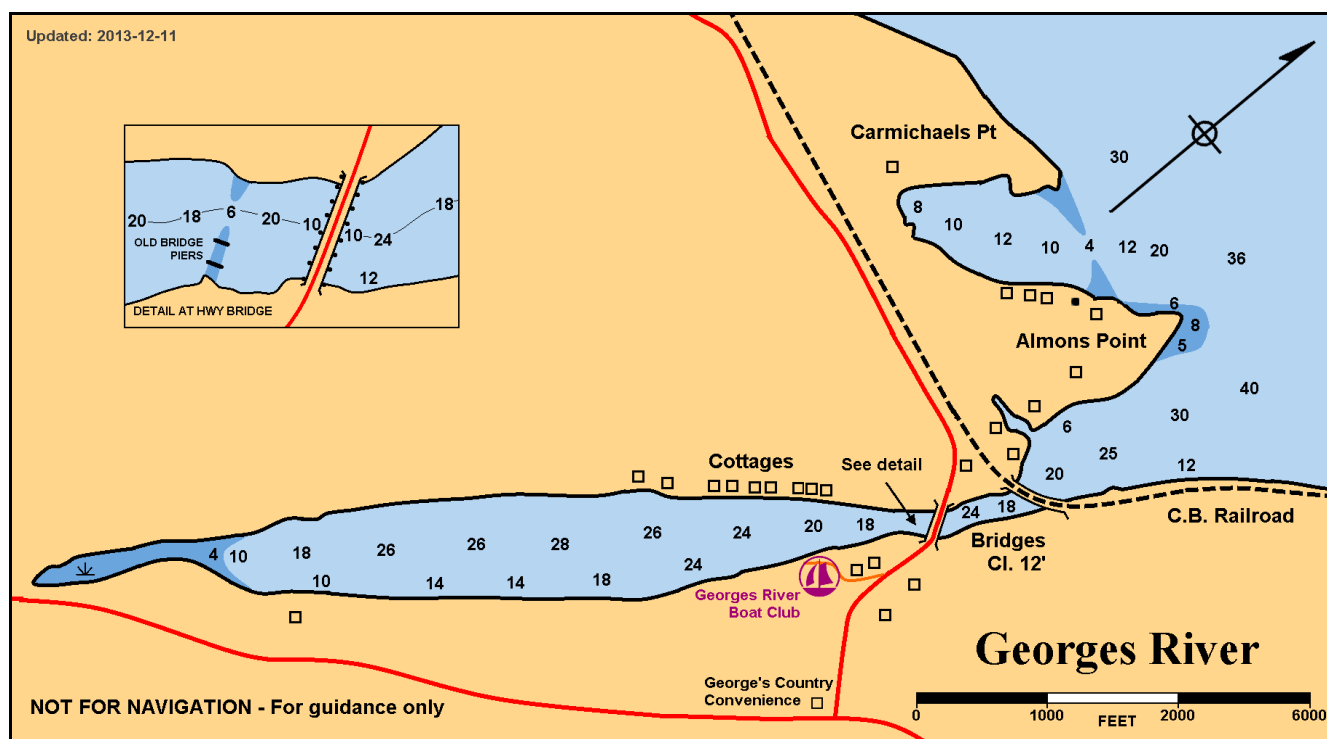

Georges River Boat Club (902-794-8908), has toilets, showers, and pumpout station.
George's Country Convenience Store (902-241-3020, ice, propane exchange) ½ mile

Description:

Power craft with an air-draft of less than 12 feet can thread their way into the protected waters of Georges River. Leaping from the highway bridge into the river is a favourite summer pastime of the local youngsters—Proceed with caution!

Navigation:

There is 12 feet of water either side of the centre abutment of the railway bridge and 10 of water under the centre span of the highway bridge, which is the only one that may be navigated. Beyond the highway bridge there is only 6 feet of water between the old bridge piers. Local knowledge is advisable to avoid grounding in this area.
