

# Kellys Cove

**CHS Chart No:** 4277 – Great Bras d'Or, St Andrews Channel & St Anns Bay

**Amenities:**

Kellys Cove Marina: (info to be determined)

**Description:**

Kellys Cove is an excellent stopover to await favourable winds or tidal currents for entering or leaving the Bras d'Or Lakes.

The small wharf in Kellys Cove is now part of the Kellys Cove Marina, maintained by the Kelly Cove Heritage Society.

Good anchoring in 15 feet in sand and mud can be had, though with the prevailing wind being from the SW, small vessels will be more comfortable tied to the wharf in such winds.

**Navigation:**

Entry is straightforward and free of hazards.

The Lat/Lon of the light on the wharf is N46°17'19" W60°26'13" and shows Fixed White.
