

# MacLeods Point<sup>1</sup> Harbour (Ingonish)

**CHS Chart No:** 4363 – Cape Smoky to St Paul Island  
4365 – Ingonish and Dingwall Harbours  
4367 – Flint Island to Cape Smoky

**Amenities:** Dockage, launch ramp, water, fuel (diesel only), swimming beach, restaurant (Seagull, 902-285-2851), hardware store (Rona, 902-285-2175)

**Harbour Authority:** NVSPHA<sup>2</sup>, 902-285-0010, e-mail: nvspha@hotmail.com.  
Fees may apply for dockage.

## **Description:**

This is a small harbour in which there will no space for pleasure craft in lobster season. The harbour is protected by breakwaters. The entrance does not face the open Atlantic. Anchoring may be possible or a mooring may be available in the harbour.

## **Navigation:**

Tidal range on a 'Large tide' is about 4.6 feet. Use tidal predictions for Ingonish Ferry or North Sydney and add ~20 minutes. The approach is free of hazards and good depths are available right into the harbour. Six feet is available at the outer ends of the floating dock and main wharf.

Revised: 2018-10-15

---

1 MacLeods Point was previously called Jackson Point. Jackson Point may still appear on some CHS charts and on electronic charting systems. CHS advises that charts are being corrected.  
2 **NVSPHA**, North Victoria Six Ports Harbour Authority, with offices located in Neils Harbour, is responsible for the harbours of Dingwall, White Point, New Haven, Neils Harbour, Ingonish, Ingonish Beach, and Ingonish Ferry.
